Dear New Jersey Licensee:

This letter serves as official notice from the Division of Consumer Affairs (Consumer Affairs) that the State Board of Physical Therapy is re-extending the license expiration date of all Physical Therapists and Physical Therapist Assistants from March 1, 2002 to May 1, 2002. **Therefore, all licenses with an expiration date of March 1, 2002, will be valid until May 1, 2002.**

All New Jersey health care providers, including hospitals and health maintenance organizations, have been notified of this extension and have been advised that the 2000-2002 license is valid through May 1, 2002. If another healthcare provider or other employer requires confirmation of the extension, please provide a copy of this letter.

It is possible that you may receive a canceled check before you receive your new license. Please do not call the Board office. Licenses will be printed as expeditiously as possible. However, if you have not received an updated certificate by April 15, 2002, please contact Consumer Affairs at 609-826-7198.

Very truly yours,

A handwritten signature in black ink, reading "Anthony Miragliotta".
